# CARE INSTRUCTIONS

## FINISHING:

Gentle washing in water at low temperature, with Marsiglia soap or neutral natural soap without phosphates.

Tumble dry at 70° / 80° C.

It is advisable to do specific trials before washing, as the final result may depend on the type of knitting-machine used and stitch density.

Fast dye in gentle water washing and dry-cleaning  
Fast dye at light, according to  
Woolmark certification.

More details about finishing on request.

Due to the nature of the colours stocks may vary in shades: this is not a fault, but a guarantee of the natural production.

## MINIMA PER COLOUR IN STOCK:

Kg. 1

## MINIMA PER COLOUR NOT IN STOCK:

Kg. 30
